Overview of Course

This course integrates the elements of audio, video, still images, animation, text, and data for the delivery of interactive content. Students will build a strong foundation based upon multimedia design principles, narrative structure, storybuilding, digital imaging, digital video and audio editing, and motion graphics.

Objectives to be Covered

Upon completion of the course, the student will be able to:

- View and listen to a wide array of work by artists, composers, filmmakers and other media artists, including student work, to analyze, critique and understand the work and the context in which it was made
- Plan and create original multimedia artworks that expresses an idea, feeling or point of view, individually or as a member of a creative team
- Shape the elements of sight and sound to express ideas
- Learn and demonstrate the fundamental concepts of video editing using a variety of software
- Learn the areas of the digital editor's workflow: pre-production planning, production and post-production editing
- Demonstrate an understanding of camera basics such as basic camera shots, lighting techniques, and audio recording techniques
- Develop employability skills

BENCHMARKS

- 1- Effective communications are essential in the world of business
- 2- Effective reading skills are critical to success in life
- 3- Technology provides opportunities to collaborate, solve problems, and create innovative products and solutions
- 4- Interactive, multimedia projects are created using a variety of media

Basis of Your Grade

Grades will be determined on the following criteria: daily work, tests, projects, and employability skills.

The Waynedale High School grading scale will be used.

Since almost all work is performed in class, attendance each day is very important. Student absences will require make-up time at the beginning of the day or the end of the school day. Any student missing class is responsible for asking the teacher what they missed and

for completing make-up work. Unexcused absences will result in a zero for all assignments that day. Late work will result in a 10% reduction for each late day.

STUDENTS WILL DO THEIR OWN WORK. Any student caught cheating on any assignment will receive a "o" grade. The student who allows cheating to take place will also get a "o".

Class Expectations

Students will also be expected to adhere to certain class expectations, referred to as EMPLOYABILITY SKILLS. An assessment of your ability to attain these skills will be given each grading period. They are as follows:

- *Be respectful to everyone
- *Participate in class
- *Listen and follow directions
- *Accept responsibility for yourself
- *Have good attendance
- *Have good manners
- *Work hard/give your best
- *Do your class work
- *Have a positive attitude
- *Come to class prepared
- *Be on time
- *Ask questions
- *Keep the class clean
