Basis of Your Grade

Grades will be determined on the following criteria: projects, daily work, tests, quizzes, and employability skills.

The Waynedale High School grading scale will be used.

Since almost all work is performed in class, attendance each day is very important. Student absences will require make-up time at the beginning of the day or the end of the school day. Any student missing class is responsible for asking the teacher what they missed and for completing make-up work. Unexcused absences will result in a zero for all assignments that day. Late work will result in a 10% reduction for each late day.

STUDENTS WILL DO THEIR OWN WORK. Any student caught cheating on any assignment will receive a "0" grade. The student who allows cheating to take place will also get a "0".
